3 Tier Career Pathway Support

At UID, we focus on empowering students to excel academically, professionally, and entrepreneurially with a strong career exit strategy-whether through jobs, start-ups, or higher studies. Our **3-tier Career Service Department** ensures 100% internships and placements through linkages with 1200+ companies, designers, design houses, and start-ups. With **30+ global partnerships** with leading institutes and universities, students gain international exposure, cross-cultural learning, and diverse career pathways. Additionally, the **Karnavati Innovation and Incubation Foundation (KIIF)**-recognized by Start-up India and implementing the Start-up India Seed Fund Scheme (SISFS)-supports innovators and start-ups by integrating design, technology, and business principles.
